2010 ETHNIC MINORITY BES PROJECT SURVEYS

The 2010 British Election Study is coordinating with the EMBES (Ethnic Minority British Election Study) project headed by Anthony Heath (Oxford). Other EMBES investigators are Steve Fisher (Oxford), David Sanders (Essex) and Maria Sobolewska (Oxford). EMBES features post-election surveys of British ethnic minority populations. Questionnaires EMBES_questionnaire_FINAL.pdf and EMBES_mailback_FINAL.pdf are available in this section of the BES website. For additional information on EMBES, please contact David Sanders (sanders@essex.ac.uk).

NOTE: This version of the EMBES data contains the validated vote variables 'OUTCOMEW' and 'OUTCOMEN'. Some respondents did not give permission for their survey data to be linked to vote validation data. These respondents have imputed vote validation data in 'OUTCOMEW'. The validate vote variable without imputed data in 'OUTCOMEN'.
